Tribute & Memorial Gifts

~ A beautiful way to honor loved ones in both times of loss and celebration ~

Throughout the Native Garden fountains, benches, and trees are available to bear the names of those that families and friends would like to hold in memory or tribute. We appreciate the generosity of our memorial and tribute donors and those that they honor. Such gifts sustain the Nature Center's operations so that we may continue to be a place of discovery & learning for visitors of all ages!
