Dear Fish Derby Supporter:

There is no higher priority than the safety of our Fish Derby attendees and community at large. That is why we have decided to postpone the April 2020 Fish Derby to the weekend of October 17th and 18th, 2020.

Many of you have been attending and bringing family and friends to the Nature Center's Derby for years and we so appreciate and depend on your support!

Be sure to mark your calendars to attend the Derby on this new date. If you have already registered for the Derby – you are all set! If you pre-registered in February or March 2020 and cannot attend the Derby in October please e-mail [FishDerby@clnaturecenter.org](mailto:FishDerby@clnaturecenter.org) and be assured we will be reaching out to you over the next two weeks. For more information or to download an updated registration form please go to [www.TroutDerby.org](http://www.TroutDerby.org) or leave a message on the Fish Derby Hotline 805-693-8381.

Thank you for your understanding and support, we look forward to seeing you on October 17th and 18th to celebrate this benchmark Derby – the 25th Annual Fish Derby!
