Happy Holidays, Friend!

Thank you for your past support of the Neal Taylor Nature Center!

As a non-profit organization, we are so grateful for supporters like you. With your help, we continue to provide visitors of all ages with memorable educational experiences that not only teach them about the natural and human history of Cachuma Lake, but also empower them to connect with their surrounding environment and be stewards of all Nature.

Dynamic and Innovative: This year, thousands of children, families & campers took part in dynamic and innovative programs at the Nature Center, with a focus on making learning fun! We continue to expand and update our programming, indoor exhibits, and Native Garden - and we need your continued support.

"We learned so much...we saw animals that I have never seen! We got to see a Red-Tailed Hawk at the Nature Center and a Barn Owl too! Clayton, 3rd grade student

Good news! With your support we can continue to provide a place of discovery and learning for the thousands of children, adults, and families who visit the Nature Center and its Native Garden annually. We are currently working to revamp our Indigenous Plants Room and we also look forward to resuming our lecture series in the new year - to name a few current projects made possible by our members, donors and volunteers! We hope you will join us in our efforts.

Please follow the link below to renew your support and become a member of the Nature Center. Not only does your gift keep us thriving, but it also provides you and your family with valuable benefits – like 10% off all purchases at the Nature Center Gift Shop -- or join at the Associate Level (\$100 donation) and receive an Annual Day Use Park Pass for Jamala Beach and Cachuma Lake Recreation Center.

Memberships also make wonderful holiday gifts for loved ones!

Your support is vital.

Thank you for being a part of the Nature Center's ongoing legacy.

With Gratitude and Appreciation,

Your Friends at the Nature Center
