Dear Fish Derby Supporter:

There is no higher priority than the safety of our Fish Derby attendees and community at large. That is why we have decided to postpone the 25th Annual Fish Derby to the weekend of April 17th and 18th, 2021. Be sure to mark your calendars to attend the Derby on this new date.

Many of you have been attending and bringing family and friends to the Nature Center's Derby for years and we so appreciate and depend on your support!

If you have already registered for the Derby – you are all set! If you pre-registered in Spring of 2020 and cannot attend the Derby in April 2021 - please e-mail [FishDerby@clnaturecenter.org](mailto:FishDerby@clnaturecenter.org).

For more information about the Derby please go to [www.TroutDerby.org](http://www.TroutDerby.org) or leave a message on the Fish Derby Hotline 805-693-8381. If you have not already registered, updated Fish Derby registration information will be available in January 2021 at [www.TroutDerby.org](http://www.TroutDerby.org). We will be encouraging all participants to register in advance for our 25th Derby.

Thank you for your understanding and support, and we look forward to seeing you on April 17th and 18th, 2021 to celebrate this benchmark Derby – the 25th

Annual Fish Derby!
