

Great news – the lake is at 80% capacity and still rising and fishermen and women are catching fish! Also, Cachuma Lake and the surrounding mountains are beautiful, green and vibrant with color from the many wild flowers!

Also, wanted to send a quick reminder that our annual Fish Derby is only a few weeks away on April 27th and 28th. If you have already registered, thanks, and we look forward to seeing you at the Derby! If you have not registered or want to learn more about the derby you can do so by visiting www.troutderby.org, click on Registration at the top of the page and follow the instructions. You can also call the Nature Center at 805-693-0691 and we can take registrations over the phone. Early registration ends April 13, 2019 (entry must be postmarked by this date).

This year's Fish Derby will again include prize categories for multiple types of fish such as crappie, bass, catfish, trout and carp. The prize pool has been increased which means everyone has a chance to win great cash prizes, fishing gear, and more!

Thank you and looking forward to seeing you at the Derby!

Sincerely,

Julie Anne McDonald
