**Because of supporters like you, the Nature Center has
much to be grateful for this Thanksgiving Season!**

In the last month alone, we resumed our Food for Thought lecture series,
hosted our most successful Creepy Creatures event,
and enjoyed a special Eagle Cruise on beautiful Cachuma Lake.

All of this was made possible by the continued support of
our members, donors, partners, and volunteers.

Dear Friend of the Nature Center,

Through your involvement and generosity, The Neal Taylor Nature Center at Cachuma Lake has been a place of discovery and learning for over 35 years!

Just this year, more than 40,000 children, families, and campers took part in the dynamic and innovative programs offered at the Nature Center. The *Food for Thought* lecture series, *Creepy Creatures* event, *Trout in the Classroom*, *Living Bat* exhibit, school field trip program, and themed *Scavenger Hunts* are a few of the programs offered and made possible through the generosity of our donors and members.

"I loved the Nature Center...we got to go on a scavenger hunt and discovered many different things I didn't know!" Elliot, 3rd grader

Your support is vital and will allow us to continue to provide hands-on learning to all who visit. It will also help to support the *One Room at a Time* campaign to update and renovate the Nature Center, its interactive exhibits, and Native Garden.

Please see the enclosed envelope to make your tax-deductible donation and for benefits included when you become an Associate, Sustaining, Patron, or Founder member.

Thank you for your support.

Sincerely,

Judy Duncan
