In Celebration of Halloween  
Bring Your Family for a Terrific Treat:

**Creepy Creatures at the Nature Center**  
**Neal Taylor Nature Center, Cachuma Lake**  
**Saturday, October 22<sup>nd</sup>, 11:00am – 1:00pm**

Learn about owls, bats, scorpions, spiders, and snakes!

Close-up encounters with living owls, scorpions, bats, spiders,  
and snakes along with real skulls and bones!

There will be witches, arts & craft activities and more to get you in the Halloween spirit!

### **A Terrific Treat For The Entire Family**

A terrific event for kids and adults is being offered on the lawn at Neal Taylor Nature Center in celebration of Halloween.

Alice Abela and her collection of spiders, snakes and other reptiles will offer an exciting and educational view into a fascinating world of small beings.

Representatives from the Nature Center and Eyes in the Sky will teach you all you would like to know about bats, owls, hawks, and other birds closely associated with Halloween – live and up close!

County Park Naturalists will also be taking part in the event and will have a table on skulls and bones!

Other activities will entertain youngsters and parents alike. Arts and crafts activities will be a hit, where making your own mask will be one of the focused activities.

There will also be live music performed by “The Spooky Sisters,” Lindsay Whipple and her sister Julia. An instrument table will be set-up, so attendees can join in!

No reservations are needed...donation appreciated!

Come Join in the Fun!
